

21 Days to a Bigger Vocabulary - Day 18

Friday, 15 February 2008

lexiphanic

pronunciation: lecks-i-fan-ik

definition: using or interlarding with magniloquent, bombastic, perhaps euphuistic speech or writing.

Still confused? How about this: using pretentious words to impress people. Of course, our aim here at "21 Days to a Bigger vocabulary" is not to be impressive...just annoying.
