

Creative Writing Now

Monday, 06 December 2010

Back in September I received an email from Nancy Strauss, editor of Creative Writing Now, introducing the website and seeking word-of-mouth support. I spent a little time perusing the site and it looks pretty compelling! As a writer and a teacher, I found a ton of useful resources and ideas for priming the creative writing process. It's my pleasure to include this site on my sidebar, and hope you will enjoy and support these folks, as well.
